

COVID-19 3rd Closure

2nd January 2021

It is with great sadness and regret that Sandbach Gymnastics will once again temporarily close its doors from on Monday 4th January in line with government instructions until we are advised that it is safe to train. This unexpected and disappointing occurrence has brought a huge cloud of despair to clubs across the country and will leave many unsure of their future.

We promise as not only your club, but as a gymnastics family, we will work as hard as we can to try and ensure that when the crisis subsides your youngsters will be able to return and enjoy the wonderful facility that everybody has worked so hard for. We feel blessed to have worked in such an amazing community for 30 years and would like to thank all our staff, volunteers, parents and gymnast's past and present for the outstanding support you continue to provide.

For Our Recreational and Preschool Gymnasts (*course-based members*) credit for the unused sessions due to the closure will be made up once we are up and running again. Zoom sessions will be available at £5 per session. Please email office.gymnastics@yahoo.co.uk for further information.

For our Intermediate / Tumble and Squad Gymnasts (*standing order-based members*) – For individual members that can maintain a membership and support the club at this time, we will be offering a wide range of options including extended day holiday training, fun gyms, camps, and specialised training days. We will ensure that every child receives these replacement opportunities and recovers prepaid funds in full. Zoom sessions will be available during lockdown at £5 per session which will be deducted from credit you have. Please email office.gymnastics@yahoo.co.uk for further information.

For families with two children training, we would ask that you keep one membership in force during the shutdown. Both children would be invited back as soon as we reopen and restart the second membership when the prepaid funds have been used in full.

We understand that families due to sudden changed financial circumstances due to this pandemic may not be able to maintain their child's membership. *In line with GDPR, your personal data and details will be deleted.* Please let us know if you would like us to keep your child's name and email for future classes when we restart, and places become available.

We would like to say a massive thankyou to the families that are able to continue their child's membership and support the club at this difficult time. Your continued support is greatly appreciated and will support the Centre at this time. Please note that the staff will not be available on site but will be checking voicemail messages and emails so if you have any questions please contact us. office.gymnastics@yahoo.co.uk

We would like to thank each and every one of you for continued love and support of the club and hope that you all stay healthy and fit during this time. Please ensure we have an up-to-date email.

Kind Regards
